Greetings Newsletter Reader!

Welcome to the Winter edition of the **Expedition Wise** Newsletter!

As 2007 draws to a close, it is a good time to reflect on the past year and look forward to 2008.

It has been an exciting first year for **Expedition Wise** with expedition visits to Ecuador, New Zealand, China, Lapland, Tanzania, USA, France and Ethiopia.

2007 has also seen the start of the monthly open first aid courses running in North Wales and many bespoke course throughout the UK and overseas. The pre-expedition training courses have received excellent feedback and have proved invaluable to those setting off on charity challenges around the world. [Click here for details.](#)
